

CORPORATE MEMBERSHIP

Women on Boards offer a variety of membership packages to suit your organisation's needs and budget. They all include key elements to support, educate and retain your employees as well as positioning your organisation as a diversity leader.

Corporate⁺ Packages

The Corporate⁺ membership packages are our traditional membership offerings focusing on face-to-face delivery of content. This membership is offered at three levels - Gold, Silver, and Bronze, enabling you to choose a level that suits your budget, professional development and training needs.

With all three levels of the Corporate⁺ membership you receive at least one workshop (or webinar) and you can select from focus areas of Leadership, Career or Board to suit your target audience. Workshop options are tailored at the various career stages and can be run as mixed or gender specific corporate workshops. High-quality networking opportunities around career & leadership and understanding how being on a board is good for your career, plus full member benefits for all employees are included. The packages are complimented by access to our online community networking portal and profiling opportunities for your organisation.

Inclusions for Corporate⁺ Packages

1. Unlimited Individual Full Memberships

Full 12 months WOB membership for all employees -valued at \$290 per person and including:

- discounts on WOB events, workshops and other services
